Life Begins in A Kitchen

Create magical memories with your beloved ones while you are casting a spell in your Mopa kitchen.

Mopa turns your kitchen into a cheerful and lively space with its various design options just to let you share tasteful meals and collect happy memories with your family and friends.

Your meals become a feast table and your kitchen becomes a neat space to enjoy.

Eva

REFLECT YOUR STYLE

Designed for an ergonomically comfortable handling, Eva has its own unique door profile that doesn't need an additional hardware. Eva offers more than 40 different plain colors in matte or gloss lacquer finish to create melodious kitchens.

Lacquer – Matte Gravit / Lacquer – Matte Mandalin / Lacquer – Matte Ekru

Eva is manufactured in lacquered finishes, lets you choose a matte or gloss surface in a wide variety of colors to reflect your personality. The form of the cabinet doors are not only designed to create a beautiful continuous look but to be functional and to keep you in your comfort zone.

Eva is a perfect solution for whom wants a harmony in their kitchens.

Ria

ELEGANCY AND PERFECTION

Ria is one of the newest designs of Mopa. "U" shape built-in handle and a comfortable angled handling surface attracts people who wants an elegant look. Various matte or gloss lacquer colors can be applied to match with its beautiful black handle.

Lacquer – Matte Kil / Melamine – Gumus Mese / Glass – Matte Siyah

Left side of the kitchen featuring a dark countertop with a sink, a black faucet, and a white sugar jar labeled "SUGAR". Below the counter are grey cabinets with black handles. A grey shag rug is on the floor.

Central kitchen unit with grey cabinets and built-in ovens. The unit is set against a white marble backsplash. To the right of the unit is a black metal shelving unit with wooden shelves, holding various kitchen items like plants, bottles, and books.

Central island with a dark marble countertop and a wooden base. The island has a metal base and is surrounded by two brown leather bar stools. The island's base has open shelving with books, a potted plant, and kitchen supplies.

Right side of the kitchen featuring a tall, grey shelving unit with open shelves. The shelves hold books, a white container, and a framed photo of a man labeled "GABO BIG SHOTS".

Mezzanine level above the kitchen, featuring a brown sofa, a gold chandelier, and a glass railing. The mezzanine is set against a white wall with a large window.

22 mm thick panel doors has a modern and rational lines to add a freshness to your kitchen.

Although it can be used with other models, a black metal framed open shelf system designed especially for Ria taking design options to another level. Practical and user friendly kitchens are the whole idea behind this creation.

Neta

GRACEFUL AS A SWAN

A unique and modern interpretation of a contemporary kitchen can look both graceful and magnificent with Neta.

Angled vertical sides of the glass doors provides a flamboyant look different than a standard contemporary kitchen while solid doors still has the character. This is a new fashion to add your lifestyle.

Lacquer – Matte Bulut
